Thanks very much Nancy and Venus! We have a time on your calendar on July 10th. Venus, I forwarded the invite to my colleague Lynn Dekleva, copied above, so you should get a response from her too. Nancy, Lynn and I thought it might make sense for Jeff Morris to join us, if you agree. Re: specific topics, Lynn should probably weigh in, but at a high level, the need for transparency and more open communication is one area of concern for us, and a tendency towards overly precautionary approaches and actions (vs. the risk-based approach mandated by LCSA) is another. I hope that is helpful. If more background would be helpful, I can work with Lynn to get that to you.

Thanks again to both you and Venus for responding so quickly and helping us to get this set up.

Have a great weekend!

Sara

Hi Sarah,

Next week is pretty crazy but I think we can find 30 min the week of July 10. Venus, can you please help us find a window?

If there is a specific topic within the new chemicals program and you would like some of our leadership team to join me please let me know.

Regards,  
Nancy

Hi Nancy. Just left you a voice mail. Would you have time to meet with my colleague, Lynn Dekleva, and me to discuss our recent experiences with the new chemicals program? Lynn will be in town next week and we would have some time Wed. afternoon the 28<sup>th</sup>. If that doesn't work on your end, could we look at the week of July 10<sup>th</sup>, or the following week if needed?

Thank you very much!

Sara
